2.3. Sexual Harassment

Section III.32(13) of the Wisconsin Statutes defines sexual harassment as unwelcome sexual advances, unwelcome physical contact of a sexual nature or unwelcome verbal or physical conduct of a sexual nature.

Unwelcome verbal or physical conduct of a sexual nature includes but is not limited to the deliberate repeated display of offensive sexually graphic materials which is not necessary for business purposes.

Misconduct will not be tolerated and MTS will take corrective action to prevent reoccurrences of such behavior that are brought to its attention. These actions may include imposing disciplinary measures up to, and including, termination of the offender’s membership in The Madison Tango Society and prevention in the attendance and participation in events hosted by MTS.

Dancing challenges balance, strength and endurance and with this comes a risk of injury. Madison Tango Society Inc. (MTS) and its officers and board members are not liable for any injury that may occur while participating in our activities. The MTS officers and board will attempt to identify and be proactive in changing any environmental hazards to decrease or prevent the risk of injury from occurring. MTS, its officers and board members, are not responsible for any floor conditions, such as slippery floors as a result of water, wax or dirt on the floor. In addition, we request that all participants promptly report any environmental concerns or injuries, including those caused by other dancers, to a board member or officer.
